SPIRITS

Litchfield Distillery, Litchfield

5-Year Double-Barreled Bourbon Whiskey – They took their Straight Bourbon, bottle proofed it to 90 and re-barreled it to expose the proofing water to the barrel’s char. The result is a complex bouquet of caramels, vanillas, fruits and spices that linger and evolve on the palette. 9

Straight Bourbon Whiskey – Traditionally aged in #4 Charred Barrels, it displays a beautiful amber color and releases wonderful vanilla and butterscotch notes. It has a smooth, balanced taste with a slightly peppery finish. Bottled at 92 proof. 8

Straight Bourbon Cask Strength –Aged in their charred oak cooperage invites a broad spectrum of luscious flavors. Even at 122 proof, this bourbon drinks smooth with a distinctly complex character that evolves on the palate. 10

Straight Rye Whiskey – The rye transforms into sweet and spicy peppery notes while the barley adds a hint of roasted toffee. Aged in honey-combed cooperage helped increase the whiskey’s exposure to caramelized sugars in the barrel’s char. Bottled at 92 proof. 8

Port-Cask-Finish Bourbon Whiskey – Their 4-Year Straight Bourbon Whiskey is rested in port barrels for an additional six months, resulting in the bourbon’s woodsy vanillas and caramels, and the port’s delicately sweet fruit. It drinks exceptionally smooth at 92 proof. 10

Maple Bourbon – Maple syrup is produced in bourbon barrels, and then the barrels are returned to Litchfield Distillery where they are promptly refilled with Straight Bourbon, resulting in a smooth bourbon that highlights the maple’s sweet and complex character. Bottled at 86 proof. 10

Vanilla Bourbon – Smooth — perhaps the ultimate compliment to pay this aromatic and exceptionally well-balanced spirit. They took their award-winning Straight Bourbon Whiskey and proof it down to 86 proof with water and a touch of organic Bourbon-Madagascar vanilla extract. 8

Coffee Bourbon – Crafted with locally-roasted beans from Zero Prophet Coffee in Washington, CT. The beans are delivered to the distillery where they steep for 24 hours. The coffee adds a lot of earthy notes along with nice chocolate, toffee and pecan flavors. Bottled at 86 proof. 8

Mine Hill Distillery, Roxbury
